

Gulf Warehousing Signs Agreement with QAFAC

For chemical warehousing and record management services

Qatar Fuel Additives Company (QAFAC) and the Gulf Warehousing Company (GWC) have signed an agreement whereby GWC is contracted to handle QAFAC's offsite storage of chemicals and general cargo. The agreement also includes scope for document storage and records management services. It must be noted that the term of the agreement is three years, the type of the agreement is a (call-off) agreement, and the estimated value of the agreement is six million Qatari Rials during the full three-year period
